On hand to support Esther were Esther's beautiful sister, Shelly Nash, wearing a sexy, black, body hugging mini with a bejeweled neckline. Esther Nash told me that the Art installation at the gallery was Shelly's idea. Dorothy Nash, Esther's mother, was Valentine's Day ready, wearing red and pink. Dorothy is graciously posing with some of the Esther Nash accessories on display. The Advice Sisters have reviewed Mws. nash's fashions and jewelry in the [What Works Beauty, Cosmetics & Fashion Review Columns](#). We hope to include more of her creations in future columns.

..... I'm posing with Esther Nash, wearing a group of charm necklaces that reflect my travels. Esther invited me to the after-party at the Star Lounge, organized by Coordinator Jeff Kraus. Alas, I really couldn't go. Fashion Week is beginning and I *had* to get some beauty sleep!
