

Mercedes Fashion Week Eve I attended Esther Nash's Fashion Installation Show at the very fashionable Eli Klein Fine Art Gallery in SoHo. The event is an entirely new innovative concept in fashion and more designers may very well be showcasing their designs in art galleries throughout Manhattan and the world perhaps! Featured make-up artist Jerry Lopez, Master Deejay Felipe Ueros Nunez, Photographer Christopher Butt and Ikonmodels.com were all there to show their support.

Mercedes Benz Fashion Week always kicks off with the Heart Truth Red Dress Show. Liza Minnelli was the star of this year's show singing her famous rendition "New York, New York" doing her catwalk on the runway. Ms. Minnelli dazzled the audience wearing a Halston Original spangled red tunic over black velvet trousers and was rewarded by a standing ovation.

This celebrity charity-event which hopes to bring awareness to the fact that heart disease is the number one killer of American women. This show featured star studded celebrities showcasing designer dud on the runway for a great cause. Watch Kim Cattrall, Rachel Ray, Billie Jean King, and many more! Includes a special appearance by The First Lady.
